NOTES TO FINANCIAL STATEMENTS

December 31, 2012 and 2011

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Organization and purpose

Federation of International Lacrosse, Inc. (FIL™) was established on September 30, 2008. It was formed via a Certificate of Amendment name change to its predecessor which was the International Lacrosse Federation, Inc. which was formed on December 1, 1999. FIL™ is a 501 (c)(3) federally tax exempt organization. The Federation of International Lacrosse™, shortened to FIL™, was established in a merger of both the men's and women's international lacrosse associations. FIL™ is responsible for the Men's World Lacrosse Championship, World Indoor Lacrosse Championship, Women's Lacrosse World Cup, and both the Men's and Women's Under-19 World Lacrosse Championships. These events are held every four years. FIL™ is responsible for the governance and integrity of all forms of Lacrosse and provides responsive and effective leadership to support the sport's development throughout the world.

Basis of Presentation

The accompanying financial statements include the assets, liabilities, net assets and financial activities of the FIL™. The method of accounting used in the determination of income and expense is the "accrual method". Under the accrual method, income is included for periods when all events have occurred which fix the right to receive such income, for which amounts may be determined with reasonable accuracy. Expenses are recorded for periods in which all events have occurred which establish the fact of the liability giving rise to the expense, for which amounts may also be determined with reasonable accuracy

Income Taxes

The fund operates as a nonprofit corporation and has received exempt status under Section 501 (c) (3) of the Internal Revenue Code. It received its exemption status on April 1, 2000 from the Internal Revenue Service.

NOTES TO FINANCIAL STATEMENTS

December 31, 2012 and 2011

NOTE 1- SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the organization to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Membership dues receivable

Dues and assessments from members are accrued only as to those amounts applicable to the fiscal periods which ended on or before the balance sheet dates. They are calculated from contributions received subsequent to the balance sheet dates. These amounts have been computed as of August 22, 2013 and do not represent delinquent contributions.

NOTE 2 – INVESTMENT VALUATION AND INCOME RECOGNITION

If available, quoted market value prices are used to value investments. The amounts shown for securities that have no quoted market price represent estimated fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis.

NOTE 3 - SUPPLEMENTAL CASH FLOW INFORMATION

There were no cash payments made for interest for the years ended December 31, 2012 and 2011.

For purposes of the statements of cash flows, the organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.
